- (b) Proposals Received
- (c) Technical Evaluation Panel (TEP) Report
- (d) Independent Government Cost Estimate (IGCE)

II. Introduction and Background

The subject solicitation is for the acquisition of support services to provide technical and program support to the Environmental Protection Agency's (EPA's) Office of Pollution Prevention and Toxics (OPPT) by preparing screening-level chemistry assessments, Safer Choice (formerly Design for the Environment) chemical substance and product evaluations, updates to Safer Chemical Ingredients List (SCHL), Pollution Prevention assistance, and Toxic Release Inventory (TRI) support of chemical substances (including biotechnology, nanotechnology, and other new initiatives) in programs supporting the Toxic Substances Control Act (TSCA), the Frank R. Lautenberg Chemical Safety for the 21st Century Act, the Pollution Prevention Act (PPA), Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), Superfund Amendments and Reauthorization Act (SARA), Emergency Planning and Community Right to Know (EPCRA), Executive Orders, and other activities, including any amendments to such legislation and/or the issuance of new or revised Executive Orders.

Such support includes the chemistry, fate, hazard and other aspects of chemical substances, mixtures, and product manufacture, processing, use, potential new uses, and pollution prevention practices. In performing such evaluations, the contractor shall be required to gather, generate, evaluate, and communicate chemistry, fate, toxicology, and chemical technology information for

X. Selection Decision

This concludes the recommended source selection decision where Syracuse Research Corporation, with their technical rating of (b)(4),(b)(5) Past Performance rating of (b)(4),(b)(5) and fair and reasonable price will receive the award of an IDIQ contract with a minimum guarantee of \$25,000.00 and a ceiling price of \$100,000,000.00. Syracuse Research Corporation is determined to be a responsible offeror eligible for award.

Prepared/Recommended:

 12/20/18
Genine McElroy
Contract Specialist

 12-20-18
Jody Gosnell
Contracting Officer

Approval / Disapproval:

As the Source Selection Authority, I concur with the Contracting Officer's recommendations as specified above. I have determined, based on my independent review of the Contracting Officer's recommendation and the materials referenced therein, that the proposal of Syracuse Research Corporation (SRC) is the best value to the Government and award to this offeror is in the best interest of the Government.
